If you purchased one or more of the Named Generic Drugs listed in Appendix A to this Notice <u>directly</u> from any of the pharmaceutical manufacturer Defendants or former Defendants (listed in Appendix B to this Notice) at any time from May 1, 2009 until December 31, 2019, you could get a payment from a class action settlement.

A federal court authorized this notice. This is not a solicitation from a lawyer.

You were previously sent a notice about settlements with (1) Sun Pharmaceuticals Industries, Inc. ("Sun"), (2) Taro Pharmaceuticals U.S.A. Inc. ("Taro"), (3) Apotex Corp. ("Apotex"), (4) Breckenridge Pharmaceutical Inc. ("Breckenridge"), and (5) Heritage Pharmaceuticals Inc., Emcure Pharmaceuticals Ltd. and Satish Mehta ("Heritage"). The purpose of this notice is to alert you of a proposed additional settlement in a Lawsuit brought by Direct Purchasers ("Settling Direct Purchaser Plaintiffs" or "DPPs") of certain generic drugs (the "Named Generic Drugs"). The Lawsuit is a group of direct purchaser class actions coordinated under the civil docket *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724 (E.D. Pa.). The Lawsuit claims that generic drug manufacturers violated antitrust laws, harming competition and causing Settlement Class Members to overpay for the Named Generic Drugs. The Settling Defendants deny liability as alleged in the Lawsuit. The Court has not decided who is right. No trial has been held.

- An additional settlement has been reached between the DPPs and Settling Defendants Sandoz Inc. and Fougera Pharmaceuticals Inc. Settling Defendants are alleged to have violated the antitrust laws relating to the sale of the Named Generic Drugs. <u>The proposed</u> <u>settlement does not resolve any of the claims of the DPPs against the remaining Defendants.</u> <u>The Lawsuit against the remaining Defendants is ongoing</u>. <u>The Named Generic Drugs are</u> <u>listed in Appendix A, and the Current and Former Defendants are listed in Appendix B</u>.
- The Court has certified a Settlement Class comprised of:

All persons or entities, and their successors and assigns, that directly purchased one or more of the Named Generic Drugs from one or more Current or Former Defendants in the United States and its territories and possessions, at any time during the period from May 1, 2009 until December 31, 2019.

Excluded from the Settlement Class are Current and Former Defendants and their present and former officers, directors, management, employees, subsidiaries, or affiliates, judicial officers and their personnel, and all governmental entities.

- The Court has preliminarily approved the proposed Settlement between the Settling Direct Purchaser Plaintiffs and the respective Settling Defendants. To resolve the DPPs' claims against Settling Defendants, the proposed Settlement will provide for a \$265,000,000.00 payment by Sandoz Inc. and Fougera Pharmaceuticals Inc. This payment will comprise the "Settlement Fund." The Settlement Fund may be reduced by up to \$31,800,000.00 (to \$233,200,000.00), or increased by a maximum of \$62,351,850.00 (to \$327,351,850.00) under certain circumstances, as explained in the Settlement Agreement. As discussed below, attorneys' fees, expenses and service awards may be deducted from these amounts, with Court approval.
- The Court has scheduled a hearing to decide whether to approve the Settlement, the plan for allocating the Settlement Fund to Settlement Class Members, any requests by the attorneys for reimbursement of expenses out of the Settlement Fund, payment of service awards to the Settling Plaintiffs, and any request by attorneys for payment of attorneys' fees, (the "Final Fairness Hearing"). The Final Fairness Hearing is scheduled for March 17, 2025, at 10:30 a.m. ET, before Judge Cynthia M. Rufe at the United States District Court for the Eastern District of Pennsylvania, Courtroom 12-A, 601 Market Street, Philadelphia, PA 19106.

BASIC INFORMATION

1. WHY DID I GET THIS NOTICE?

You received this notice because, according to available data and documents, you may have purchased one or more Named Generic Drugs directly from one or more generic manufacturer Defendants at some time from May 1, 2009 until December 31, 2019 and therefore you may be a member of the Settlement Class that was certified by the Court for purposes of the proposed Settlement. You may have received this Notice in error and so you should confirm from your own records that you purchased one or more Named Generic Drugs directly from one or more generic manufacturer Defendants at some time from May 1, 2009 to December 31, 2019.

2. WHAT IS THIS LAWSUIT ABOUT?

The Lawsuit is a group of proposed class actions coordinated under the docket *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724. DPPs' class action complaints are available at GenericDrugsDirectPurchaserSettlement.com. Judge Cynthia M. Rufe, of the United States District Court for the Eastern District of Pennsylvania (the "Court"), is overseeing the Lawsuit and the Settlement.

The Settling Direct Purchaser Plaintiffs allege that Defendants engaged in an unlawful scheme or schemes to fix, maintain and stabilize prices, rig bids, and engage in market and customer allocation of the Named Generic Drugs in violation of federal antitrust laws. DPPs allege that this harmed competition and caused Settlement Class Members to overpay for the Named Generic Drugs.

All Defendants, including the Settling Defendants, deny that any Settlement Class Member is entitled to damages or other relief. All Defendants, including the Settling Defendants, deny liability as to DPPs' claims. The Settlement between Settling Direct Purchaser Plaintiffs and the Settling Defendants is not an admission of wrongdoing by any Defendant, including the Settling Defendants.

Following investigation of relevant facts, substantial fact discovery, and following arms' length negotiations with the Settling Defendants, the Settling Direct Purchaser Plaintiffs, on behalf of the Settlement Class, entered into the Settlement with the Settling Defendants.

There has been no determination by the Court or a jury that the allegations against the Defendants or Settling Defendants have been proven or that, if proven, the conduct caused harm to any Settlement Class Members. No trial has been held or scheduled.

3. WHAT IS A CLASS ACTION?

In a class action, one or more people called "Class Representatives" (in this case, César Castillo, LLC, FWK Holdings, LLC, Rochester Drug Cooperative, Inc., and KPH Healthcare Services, Inc.) sue on behalf of others who have similar claims (collectively, the "DPPs" or the "Settling Direct Purchaser Plaintiffs").

The DPPs and the entities on whose behalf they have sued together constitute the "Settlement Class" or "Settlement Class Members." Their attorneys are called "Settlement Class Counsel."

The companies that have been sued are called the "Defendants." In this case the Current and Former Defendants are the 58 companies listed at the end of this Notice.

In a class action lawsuit, one court resolves the issues for all Class Members, except for those who exclude themselves (i.e., "opt out") from the Class. The Court, by an order dated June 26, 2024, has determined that the lawsuit between DPPs and the Settling Defendants can proceed as a class action for purposes of settlement. Copies of the Court's orders may be found at GenericDrugsDirectPurchaserSettlement.com.

Specifically, the Court has found that:

- The number of Settlement Class Members is so numerous that joining them all into one suit is impracticable.
- Members of the Settlement Class share common legal or factual issues relating to the claims in this case.
- The claims of the DPPs are typical of the claims of the rest of the Settlement Class.
- The DPPs and Settlement Class Counsel will fairly and adequately protect the interests of the Settlement Class.
- The common legal questions and facts predominate over questions affecting only individual members of the Settlement Class, and this Lawsuit will be more efficient than individual lawsuits.

4. WHY IS THERE A SETTLEMENT?

The Court has not decided in favor of the Settling Direct Purchaser Plaintiffs or Settling Defendants. Instead, both sides have agreed to the Settlement. Settling Direct Purchaser Plaintiffs and the Settling Defendants were preparing to proceed with the litigation and eventually go to trial, but they have now agreed to the Settlement. By agreeing to the Settlement, the parties avoid the costs and uncertainty of additional discovery, motion practice, and an eventual trial, and if the Settlement is approved by the Court, Settlement Class Members will be eligible to receive a payment from the Settlement. The Settlement does not mean that any law was broken or that the Settling Defendants did anything wrong. The DPPs and Settlement Class Counsel believe that the proposed Settlement is fair, reasonable, and adequate and in the best interests of the Settlement Class.

WHO IS IN THE SETTLEMENT CLASS AND SETTLEMENT

5. AM I PART OF THE SETTLEMENT CLASS AND THE SETTLEMENT?

You are part of the Settlement Class if you are a person or entity in the United States and its territories that purchased one or more Named Generic Drugs <u>directly</u> from one or more Current or Former Defendants at any time from May 1, 2009 until December 31, 2019.

More specifically, on June 26, 2024, the Court certified the Settlement Class. The class definition is:

All persons or entities, and their successors and assigns, that directly purchased one or more of the Named Generic Drugs from one or more Current or Former Defendants in the United States and its territories and possessions at any time during the period from May 1, 2009 until December 31, 2019. Excluded from the Settlement Class are Current and Former Defendants and their present and former officers, directors, management, employees, subsidiaries, or affiliates, judicial officers and their personnel, and all governmental entities.

The Named Generic Drugs and Current and Former Defendants are listed at the end of this Notice.

If you are not sure whether you are included in the Settlement Class, you may call or write to the lawyers in this case at the telephone numbers or addresses listed in Question 11 below. If you wish to exclude yourself from the Settlement Class, please refer to Question 6.

6. CAN I REQUEST TO BE EXCLUDED FROM THE SETTLEMENT CLASS?

Yes, the Court has set a deadline for requests for exclusion for October 8, 2024. To exclude yourself, you must send a letter via First-Class U.S. Mail saying you want to exclude yourself from the Direct Purchaser Lawsuit in *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724 (E.D. Pa.).

Mail the letter to: *In re: Generic Pharmaceuticals Pricing Antitrust Litigation* – Direct Purchasers, c/o A.B. Data, Ltd., P.O. Box 173095, Milwaukee, WI 53217.

<u>Be sure to include your name, address, email address, telephone number, and your signature</u>. Your letter requesting exclusion must be postmarked no later than October 8, 2024.

If you exclude yourself from the Settlement Class, you will not be legally bound by anything that happens in the Lawsuit between DPPs and the Settling Defendants. This means that you may be able to sue (or continue to sue) the Settling Defendants in the future about the legal issues in this case. If you exclude yourself from the Settlement Class so that you can start or continue your own lawsuit against one or more of the Settling Defendants, you should talk to your own lawyer immediately because your claims will be subject to a statute of limitations, which means that your claims will expire if you do not take timely action. You need to contact your own lawyer about this issue.

If you do not exclude yourself from the Settlement Class, and you have a valid claim, you can share in the Settlement, but you will not be able to start a lawsuit, continue a lawsuit, or be part of any other lawsuit against the Settling Defendants arising from the claims released as part of this Settlement, including claims brought in the case between DPPs and the Settling Defendants. All of the Court's orders in the case between DPPs and the Settling Defendants will apply to you and legally bind you. You will also be bound by the proposed Settlement between DPPs and the Settling Defendants if the Court grants Final Approval to the proposed Settlement and enters final judgment in the case between DPPs and the Settling Defendants.

7. WHAT HAPPENS IF I DO NOTHING?

If you are a Settlement Class Member and you do nothing, you will remain in the Settlement Class and be eligible to participate in the Settlement as described in this notice, if the Settlement is approved. However, you will need to complete, sign, and return the claim forms (once they are sent to you) in order to obtain a payment. We do not know when the claim forms will be mailed. You should check GenericDrugsDirectPurchaserSettlement.com for information regarding timing. The website will also have a blank claim form for downloading.

THE SETTLEMENT'S BENEFITS

8. WHAT DOES THE SETTLEMENT PROVIDE?

The Settling Defendants have agreed to pay a total of \$265,000,000.00 in cash (which may be reduced to \$233,200,000.00 or increased to as much as \$327,351,850.00 under certain circumstances as explained in the Settlement) to an interest-bearing escrow account ("Settlement Fund") for the benefit of the Settlement Class. The Settlement Fund shall be held in escrow pending finality of the Settlement Agreement. The Settling Defendants have also agreed to provide substantial cooperation to the DPPs in the continued litigation against the remaining Defendants.

Settlement Class Counsel will apply to the Court no later than August 23, 2024 for reimbursement of past unreimbursed expenses and for future expenses not to exceed a total of \$2 million, and service awards to the four Settling Plaintiffs of \$20,000 each for their services to the Settlement Class. The Settlement also provides for payment of up to \$250,000 in total for the costs of administering the Settlement and making distributions from the fund. In addition, Settlement Class Counsel will ask the Court for payment of attorneys' fees. For purposes of the objection and opt-out deadline of October 8, 2024, Settlement Class Members should assume that Settlement Class Counsel will seek attorney's fees of up to one-third of the net Settlement Funds to date, after expenses and service awards have been deducted and including interest (and including the Settlement Funds from DPPs' prior Settlements). Settlement Class Members will have the opportunity to review, and object to, Settlement Class Counsel's motion for attorneys' fees after it is filed and before the Court rules. All motions for expenses, attorneys' fees, and service awards shall be posted on the settlement website: GenericDrugsDirectPurchaserSettlement.com.

If approved by the Court, the Settlement Fund, minus any court-awarded fees and expenses to Settlement Class Counsel, costs of settlement notice and administration, and service awards to Settling Plaintiffs ("Net Settlement Fund") will be distributed to the Settlement Class Members who return valid and timely Claim Forms. The distribution will be made on a *pro rata* basis, consistent with each Settlement Class Member's aggregate weighted share of total Settlement Class purchases of the Named Generic Drugs from Defendants. In the event that data from Defendants is not available to calculate a Settlement Class Member's *pro rata* share, such Settlement Class Member will be required to submit data showing its relevant direct purchases as requested by the Claims Administrator. As a general matter, a claimant's *pro rata* share will be based on data from Defendants, and claimants will not be permitted to submit their own purchase data to contest these figures. This is because of the time and expense that would be involved in analyzing such additional data (expenses that would be paid out of the Settlement Fund itself), and because transaction data from Defendants is considered reliable. More information about how Settlement Class Members' shares will be calculated is available in the Plan of Allocation on the settlement website: GenericDrugsDirectPurchaserSettlement.com.

In exchange, the litigation between the DPPs and the Settling Defendants will be dismissed with prejudice and Settling Defendants will be released by Settlement Class Members from all claims that have been brought or could have been brought concerning the subject matter of or acts, omissions, or other conduct alleged in Settling Direct Purchaser Plaintiffs' class action complaints available at GenericDrugsDirectPurchaserSettlement.com.

Non-Settling Defendants are <u>not</u> part of the proposed Settlement between the DPPs and the Settling Defendants. DPPs' Lawsuit against the Non-Settling Defendants is continuing.

The Settlement Agreement provides that it may be terminated if, for example, the Court does not approve the Settlement or if Settlement Class Members with aggregate purchases above a certain

amount opt out. If the Settlement Agreement is terminated, the Lawsuit will proceed against the Settling Defendants as if the settlement had not been reached.

The full text of the Settlement Agreement, including the release, is available at GenericDrugsDirectPurchaserSettlement.com. This notice is not meant to, and does not, alter the terms of the actual Settlement Agreement and associated release.

9. HOW CAN I GET A PAYMENT FROM THE SETTLEMENT?

If the Court grants Final Approval to the Settlement (*see* "The Court's Fairness Hearing" below) and any resulting appeals are resolved, the Court will approve a Plan of Allocation to distribute the Settlement Fund.

If you do not exclude yourself from the Settlement Class, you will need to submit a Claim Form to request your share of the Net Settlement Fund.

- If you received this Notice in the mail, a Claim Form will be sent to you automatically and you do not need to do anything at this time to be eligible to receive a payment from the Settlement.
- > If you did not receive this Notice in the mail, and you think you are a potential Settlement Class Member, please identify yourself or your company by letter or email to the following address: In re: Generic Pharmaceuticals Pricing Antitrust Litigation – Direct Purchasers, c/o A.B. Data, Ltd., P.O. Box 173095, Milwaukee, WI 53217. Email: info@GenericDrugsDirectPurchaserSettlement.com. You must also include proof that you purchased at least one of the Named Generic Drugs during the period May 1, 2009 to December 31, 2019 directly from a Current or Former Defendant. You may also be required to submit your purchase data showing all your eligible purchases. A copy of the Claim Form will also be available at GenericDrugsDirectPurchaserSettlement.com.

10. WHEN WOULD I GET MY PAYMENT AND HOW MUCH WOULD IT BE?

When you get your payment depends on several matters, including whether and when the Court grants Final Approval of the Settlement. The Net Settlement Fund will be allocated to Settlement Class Members as soon as possible after the Court grants Final Approval of the Settlement.

You will not be responsible for calculating the amount you may be entitled to receive. The Plan of Allocation provides that you will be paid on a *pro rata* basis in proportion to how much of the Named Generic Drugs you purchased <u>directly</u> from Current or Former Defendants from May 1, 2009 through December 31, 2019. Generally, those with more purchases will get a higher recovery. If less than 100% of the Settlement Class sends in claim forms, you could get a larger *pro rata* share. All Claimants who would receive less than a *pro rata* share of \$25 total from the Settlement will receive \$25 total from the Settlement.

If the proposed Settlement is given Final Approval, but there is an appeal of the Final Approval, the appeal could take several years to resolve. Any accrued interest on the Settlement Fund will be included, *pro rata*, in the amount paid to Settlement Class Members.

If you do decide to exclude yourself from the Settlement Class, which means that you are choosing not to be a part of the Settlement Class, then you will not receive a share the Settlement Fund.

12. HOW WILL THE LAWYERS BE PAID?

The attorneys intend to ask for attorneys' fees of (1) up to one-third of this Settlement Fund and (2) the entirety of any funds set aside by Court Order for fee petitions from any of Direct Purchaser Plaintiffs' previous Settlements. Settlement Class Counsel will also ask now, as part of the Final Approval of this settlement, for an amount not to exceed a total of \$2 million for reimbursement of past and future expenses, including costs of administering this settlement, plus service awards in the amount of \$20,000 for each of the four named plaintiffs. If you decide not to exclude yourself from the Settlement Class, you will not have to pay these fees, costs, and expenses out of your own pocket. If the Court grants Settlement Class Counsel's requests, these amounts would be deducted from the Settlement Fund.

Any application by Settlement Class Counsel for reimbursement of expenses, service awards, and attorneys' fees will be filed with the Court and made available for download and/or viewing on or before November 22, 2024 on GenericDrugsDirectPurchaserSettlement.com, as well as at the office of the Clerk of the United States District Court for the Eastern District of Pennsylvania, 601 Market Street, Philadelphia, PA 19106-1797, during normal business hours.

THE COURT'S FAIRNESS HEARING

The Court will hold a hearing to decide whether to grant Final Approval to the Settlement and any requests for reimbursement of expenses, service awards, and application for attorneys' fees ("Fairness Hearing"). You may attend and, if you have not excluded yourself from the Settlement Class, you may ask to speak, but you do not have to.

14. WHEN WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT?

The Court has scheduled a Fairness Hearing on March 17, 2025 at 10:30 a.m. Eastern time, at the United States District Court Eastern District of Pennsylvania, Courtroom 12-A, 601 Market Street, Philadelphia, PA 19106.

The time and date of the Fairness Hearing may change without additional mailed notice. For updated information on the hearing, you may check GenericDrugsDirectPurchaserSettlement.com, or the Court docket in this case, for a fee, through the Court's Public Access to Court Electronic Records (PACER) system at https://pcl.uscourts.gov.

At the Fairness Hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court may also consider the requests by Settlement Class Counsel for attorneys' fees, reimbursement of expenses, and payment of service awards. If there are objections, the Court will consider them at that time. After the hearing, the Court will decide whether to give Final Approval to the Settlement and the other requests. It is unknown how long these decisions will take.

Any judgment issued by the Court will be binding on the Settlement Class. The Settlement, if approved by the Court and once appeals, if any, are resolved, will release all claims in the class action against the Settling Defendants.

15. DO I HAVE TO ATTEND THE HEARING?

No. Settlement Class Counsel will answer any questions the Court may have. However, you are welcome to attend the hearing at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, to the proper addresses, and it complies with the other requirements provided above, the Court will consider it. You also may pay your own lawyer to attend the hearing, but this is not necessary. Attendance is not necessary to receive your share of the Net Settlement Fund.

16. MAY I SPEAK AT THE HEARING?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must send a letter via First-Class U.S. Mail saying that it is your "Notice of Intention to Appear in *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, No. 2:16-MD-02724 (E.D. Pa.)." Be sure to include your name, address, email address, telephone number, and your signature. Your Notice of Intention to Appear must be postmarked no later than October 8, 2024, and must be sent to the Clerk of the Court, to Settlement Class Counsel, and to Settling Defendants' Counsel at the addresses listed in Question 13 above.

You may not speak at the hearing for a particular Settlement if you excluded yourself as a Settlement Class Member or do not send a Notice of Intention to Appear.
