Direct Purchaser Plaintiffs' Actions

**DECLARATION OF ERIC J. MILLER REGARDING
(A) DISSEMINATION OF THE NOTICE AND
(B) REPORT ON REQUESTS FOR EXCLUSION AND OBJECTIONS, IF ANY,
RECEIVED TO DATE FOR DPPS' GREENSTONE AND PFIZER SETTLEMENT
AND DPPS' GLENMARK SETTLEMENT**

I, Eric J. Miller, hereby declare and state as follows:

1. I am a Senior Vice President with A.B. Data, Ltd. ("A.B. Data"). I am fully familiar with the facts contained herein based upon my personal knowledge, and if called as a witness, could and would testify competently thereto. I submit this declaration at the request of Settlement Class Counsel in connection with the above-captioned action (the "Action").

2. A.B. Data was appointed by the Court in its August 28, 2025 Order Regarding Preliminary Approval of DPPs' Greenstone and Pfizer Settlement and its August 29, 2025 Order Regarding Preliminary Approval of DPPs' Glenmark Settlement to serve as the claims administrator for the direct purchaser class settlements with Greenstone and Pfizer and Glenmark. MDL Doc. Nos. 3620 & 3623 ("Preliminary Approval Orders"). A.B. Data's duties in this case include administering the distribution of notice of the settlement to class members. I am submitting this declaration to advise the Court of A.B. Data's activities concerning distribution of notice and the results.

Direct Mail Notice

3. A.B. Data obtained from Settlement Class Counsel a listing of 754 potential Settlement Class members developed from a number of sources, including transactional data produced by the defendants in discovery.

4. Settlement Class Counsel performed research to locate mailing addresses for these potential Settlement Class members. Where a potential Settlement Class member had multiple locations, each of the addresses was captured and included in the mailing database. In addition, A.B. Data supplemented the list with additional mailing addresses through review of A.B. Data's own records from other direct purchaser pharmaceutical appointments and further independent research.

5. As a result of these efforts, A.B. Data obtained the identity and office addresses of 743 potential Settlement Class members and a total of 1,367 mailing addresses for the 743 entities. A.B. Data and Settlement Class Counsel were not able to locate a mailing address for the remaining 11 potential Settlement Class members because the potential Settlement Class members were no longer in business or the name of the entity was incomplete so the actual entity could not be located.

6. On October 13, 2025, A.B. Data arranged for the mailing of the Long Form Notice (the "Notice") to all 743 potential Settlement Class members with known mailing addresses. The Notice was also mailed to the additional addresses for certain Settlement Class members. On the same day, A.B. Data posted the Notice on the website created for this litigation: www.GenericDrugsDirectPurchaserSettlement.com. A copy of the Notice is attached hereto as **Exhibit A**.

7. In sum, A.B. Data caused 1,367 Notices to be mailed to potential Settlement Class members. If all mailings to a potential Settlement Class member were returned as undeliverable as addressed by the United States Postal Service, A.B. Data performed additional research to locate an updated address or determine if the potential Settlement Class member was no longer in existence. When A.B. Data was able to locate an updated address, A.B. Data promptly remailed the Notice to the updated address.

Media Notice

8. To supplement direct notice efforts, beginning on September 11, 2025, A.B. Data caused digital banner ads to appear on The Pink Sheet website for a period of 30 days. The Pink Sheet reaches over 3,000 of the world's leading pharmaceutical, contract research organizations (CROs), medical technology, biotechnology and healthcare service providers, including the top 50 global pharma and top 10 CROs. These ads appeared on both desktop and mobile formats. 59,940 impressions have been delivered through the conclusion of the media notice on October 11, 2025. A sample of the digital banner and newsfeed ads are attached as **Exhibit B**.

9. A.B. Data also caused the Short Form Notice to be published in *The Wall Street Journal* on September 11, 2025. A copy is attached hereto as **Exhibit C**.

News Media

10. On September 11, 2025, A.B. Data disseminated a news release via Business Wire to announce the Settlements. This news release distributed via Business Wire went to the news desks of approximately 10,000 newsrooms, including those of print, broadcast, and digital websites across the United States. A copy of the news release is attached as **Exhibit D**.

Website and Telephone

11. To assist potential Settlement Class members in understanding the terms of the Settlement and their rights, and consistent with the earlier Settlements, A.B. Data utilized a case-specific toll-free telephone number (877-315-0583), email address (info@GenericDrugsDirectPurchaserSettlement.com), and a case-specific website (www.GenericDrugsDirectPurchaserSettlement.com).

12. On October 13, 2025, A.B. Data updated the case-specific toll-free telephone number to include an interactive voice response (“IVR”) system which provided summary information to frequently asked questions specific to the Greenstone and Pfizer Settlement and the Glenmark Settlement. This also provided callers the opportunity to speak with a live customer support representative. In addition, A.B. Data has received emails to the email address established for this matter.

13. On October 13, 2025, A.B. Data updated the case-specific website, www.GenericDrugsDirectPurchaserSettlement.com to include information about the Sandoz Settlement. The website address appeared on the Notice and the newswire. The website includes case-specific information, including relevant deadlines and downloadable versions of the Notice, Settlement Agreements, Preliminary Approval Order, and other relevant documents. To date, the website has had 2,645 visitors.

14. On November 21, 2025, Settlement Class Counsel filed Direct Purchaser Plaintiffs’ Motion for an Order Granting: (1) Reimbursement of Expenses; (2) Payment of Service Awards; and (3) A One-Third Set Aside of the Glenmark Settlement Fund and of the Greenstone and Pfizer Settlement Fund (MDL Doc. No. 3828). Promptly thereafter, A.B. Data posted this filing to the case-specific website.

Requests for Exclusion and Objections

15. Pursuant to the Court's Preliminary Approval Order, any Settlement Class member requesting exclusion from the Sandoz Settlement Class was required to postmark such a request on or before January 12, 2026.

16. As of the date of this Declaration, A.B. Data has received six (6) letters from counsel requesting exclusion from both the Greenstone and Pfizer Settlement and the Glenmark Settlement and two (2) additional letters from counsel seeking exclusion from only the Glenmark Settlement. All of the requests for exclusion were sent by counsel for certain Direct Action Plaintiffs that I understand have brought individual claims.

17. Annexed hereto as **Exhibit E** is a list of the 346 entities which have submitted timely requests for exclusion from the Glenmark Settlement. Annexed hereto as **Exhibit F** is a list of the 330 entities which have submitted timely requests for exclusion from the Greenstone and Pfizer Settlement.

18. Most of the entities identified in the letters I received and on Exhibits E and F do not appear to be among the 754 direct purchasers identified from Defendants' transactional data. For instance, only 42 of the 346 entities seeking exclusion from the Glenmark Settlement and only 32 of the 330 entities seeking exclusion from the Greenstone and Pfizer Settlement were identified as potential Settlement Class Members based on Defendants' transactional data.

19. Therefore, based on Defendants' transactional data, it appears that 712 of 754 members of the Glenmark Settlement Class and 722 of the 754 members of the Greenstone and Pfizer Settlement Class have not requested exclusion.

20. Pursuant to the Court's Preliminary Approval Order, the postmark deadline for a Settlement Class member to object to either Settlement was also January 12, 2026.

21. The Notice directs members of the Settlement Classes to mail their objection to Clerk of the United States District Court for the Eastern District of Pennsylvania with copies to Settlement Class Counsel and Settling Defendants' Counsel.

22. As of the date of this Declaration, A.B. Data has not been notified of any objections.

I declare under penalty of perjury that the foregoing is true and correct.

EXHIBIT A

IN THE UNITED STATES DISTRICT COURT FOR THE EASTERN DISTRICT OF PENNSYLVANIA

If you purchased one or more of the Named Generic Drugs listed in Appendix A to this Notice directly from any of the pharmaceutical manufacturer Defendants or former Defendants (listed in Appendix B to this Notice) at any time from May 1, 2009 until December 31, 2019, you could get a payment from a class action settlement.

A federal court authorized this notice. This is not a solicitation from a lawyer.

You were previously sent three separate notices about settlements that Direct Purchasers (“Settling Direct Purchaser Plaintiffs” or “DPPs”) of certain generic drugs (the “Named Generic Drugs”) reached with: (1) Sun Pharmaceuticals Industries, Inc (“Sun”) and Taro Pharmaceuticals U.S.A. Inc (“Taro”); (2) Apotex Corp. (“Apotex”), Breckenridge Pharmaceutical Inc. (“Breckenridge”), and Heritage Pharmaceuticals Inc., Emcure Pharmaceuticals Ltd. and Satish Mehta (“Heritage”); and (3) Sandoz Inc. and Fougera Pharmaceuticals Inc. (“Sandoz”). The purpose of this fourth notice is to alert you of two additional proposed settlements in a Lawsuit brought by Settling Direct Purchaser Plaintiffs.

The Lawsuit is a group of direct purchaser class actions coordinated under the civil docket *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724 (E.D. Pa). The Lawsuit claims that generic drug manufacturers violated antitrust laws, harming competition and causing Settlement Class Members to overpay for the Named Generic Drugs. The Settling Defendants deny liability as alleged in the Lawsuit. The Court has not decided who is right. No trial has been held.

- Two additional settlements have been reached between the DPPs and the Settling Defendants: (1) a proposed settlement with Settling Defendants Greenstone LLC and Pfizer Inc. (“Greenstone and Pfizer”) and (2) a proposed settlement with Glenmark Pharmaceutical Inc. (“Glenmark”). Settling Defendants are alleged to have violated the antitrust laws relating to the sale of the Named Generic Drugs.
- The proposed settlements do not resolve any of the claims of the DPPs against the remaining Defendants. The Lawsuit against the remaining Defendants is ongoing. The Named Generic Drugs are listed in Appendix A, and the Current and Former Defendants are listed in Appendix B.

- The Court has certified a Settlement Class comprised of:

All persons or entities, and their successors and assigns, that directly purchased one or more of the Named Generic Drugs from one or more Current or Former Defendants in the United States and its territories and possessions, at any time during the period from May 1, 2009 until December 31, 2019.

Excluded from the Settlement Class are Current and Former Defendants and their present and former officers, directors, management, employees, subsidiaries, or affiliates, judicial officers and their personnel, and all governmental entities.

- The Court has preliminarily approved the proposed Settlements between the Settling Direct Purchaser Plaintiffs and the respective Settling Defendants.
- To resolve DPPs' claims against Settling Defendants, the proposed Settlements will provide for the following payments by Settling Defendants resulting in: (1) a \$33,000,000 payment from Greenstone and Pfizer to be paid after preliminary approval and (2) two separate payments totaling \$37,750,000 from Glenmark (*i.e.*, \$11,100,000 to be paid after preliminary approval and \$26,650,000 to be paid on or before April 1, 2026). These payments, collectively, \$70,750,000, will comprise the "Settlement Fund." The Settlement Fund may be reduced by up to \$8,490,000 (to \$62,260,000) or increased by a maximum of \$17,655,662.50 (to \$88,405,662.50) under certain circumstances as explained in the Settlement Agreements. As discussed below, expenses and service awards, as well as a set-aside for a future request for attorneys' fees, may be deducted from these amounts, with Court approval.
- Settling Direct Purchaser Plaintiffs have also held in escrow over \$1,846,000 from bankrupt Defendant Mallinckrodt Inc. and its affiliates ("Mallinckrodt") and which is continually accruing interest. Settling Direct Purchaser Plaintiffs intend to distribute the funds from this bankruptcy ("Mallinckrodt monies") to members of these Settlement Classes in the same manner and in conjunction with the distribution of the Settlement Fund. Settling Direct Purchaser Plaintiffs do not intend to seek expenses, service awards, or a set-aside for a future request for attorneys' fees from the Mallinckrodt monies.
- The Court has scheduled a hearing to decide whether to approve the Settlements, the plan for allocating the Settlement Funds to Settlement Class Members, any requests by the attorneys for reimbursement of expenses out of the Settlement Fund, payment of service awards to the Settling Plaintiffs, and any request by attorneys for payment of attorneys' fees, (the "Final Fairness Hearing"). The Final Fairness Hearing is scheduled for April 8, 2026, at 11:00 a.m. ET, before Judge Cynthia M. Rufe at the United States District Court for the Eastern District of Pennsylvania, Courtroom 12-A, 601 Market Street, Philadelphia, PA 19106.

BASIC INFORMATION

1. WHY DID I GET THIS NOTICE?

You received this notice because, according to available data and documents, you may have purchased one or more Named Generic Drugs directly from one or more generic manufacturer Defendants at some time from May 1, 2009 until December 31, 2019 and therefore you may be a member of the Settlement Classes that were certified by the Court for purposes of the proposed Settlements. You may have received this Notice in error and so you should confirm from your own records that you purchased one or more Named Generic Drugs directly from one or more generic manufacturer Defendants at some time from May 1, 2009 to December 31, 2019.

2. WHAT IS THIS LAWSUIT ABOUT?

The Lawsuit is a group of proposed class actions coordinated under the docket *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724. DPPs' class action complaints are available at GenericDrugsDirectPurchaserSettlement.com. Judge Cynthia M. Rufe, of the United States District Court for the Eastern District of Pennsylvania (the "Court"), is overseeing the Lawsuit and the Settlement.

The Settling Direct Purchaser Plaintiffs allege that Defendants engaged in an unlawful scheme or schemes to fix, maintain and stabilize prices, rig bids, and engage in market and customer allocation of the Named Generic Drugs in violation of federal antitrust laws. DPPs allege that this harmed competition and caused Settlement Class Members to overpay for the Named Generic Drugs.

All Defendants, including the Settling Defendants, deny that any Settlement Class Member is entitled to damages or other relief. All Defendants, including the Settling Defendants, deny liability as to DPPs' claims. The Settlement between Settling Direct Purchaser Plaintiffs and the Settling Defendants is not an admission of wrongdoing by any Defendant, including the Settling Defendants.

Following investigation of relevant facts, substantial fact discovery, and following arms' length negotiations with the Settling Defendants, the Settling Direct Purchaser Plaintiffs, on behalf of the Settlement Class, entered into the Settlements with the Settling Defendants.

There has been no determination by the Court or a jury that the allegations against the Defendants or Settling Defendants have been proven or that, if proven, the conduct caused harm to any Settlement Class Members. No trial has been held or scheduled.

3. WHAT IS A CLASS ACTION?

In a class action, one or more people called "Class Representatives" (in this case, César Castillo, LLC, FWK Holdings, L.L.C., Rochester Drug Co-Operative, Inc., and KPH Healthcare Services, Inc.) sue on behalf of others who have similar claims (collectively, the "DPPs" or the "Settling Direct Purchaser Plaintiffs").

The DPPs and the entities on whose behalf they have sued together constitute the "Settlement Classes" or "Settlement Class Members." Their attorneys are called "Settlement Class Counsel."

The companies that have been sued are called the "Defendants." In this case the Current and Former Defendants are the 58 companies listed at the end of this Notice.

In a class action lawsuit, one court resolves the issues for all Class Members, except for those who exclude themselves (*i.e.*, “opt out”) from the Class. The Court, by orders dated August 28, 2025, and August 29, 2025, has determined that the lawsuit between DPPs and the Settling Defendants can proceed as a class action for purposes of settlement. Copies of the Courts orders may be found at GenericDrugsDirectPurchaserSettlement.com.

Specifically, the Court has found that:

- The number of Settlement Class Members is so numerous that joining them all into one suit is impracticable.
- Members of the Settlement Classes share common legal or factual issues relating to the claims in this case.
- The claims of the DPPs are typical of the claims of the rest of the Settlement Classes.
- The DPPs and Settlement Class Counsel will fairly and adequately protect the interests of the Settlement Classes.
- The common legal questions and facts predominate over questions affecting only individual members of the Settlement Classes, and this Lawsuit will be more efficient than individual lawsuits.

4. WHY ARE THERE SETTLEMENTS?

The Court has not decided in favor of the Settling Direct Purchaser Plaintiffs or Settling Defendants. Instead, both sides have agreed to the Settlements. Settling Direct Purchaser Plaintiffs and the Settling Defendants were preparing to proceed with the litigation and eventually go to trial, but they have now agreed to the Settlements. By agreeing to the Settlements, the parties avoid the costs and uncertainty of additional discovery, motion practice, and an eventual trial, and if the Settlement is approved by the Court, Settlement Class Members will be eligible to receive a payment from these the Settlements. The Settlements do not mean that any law was broken or that the Settling Defendants did anything wrong. The DPPs and Settlement Class Counsel believe that the proposed Settlements are fair, reasonable, and adequate and in the best interests of the Settlement Classes.

WHO IS IN THE SETTLEMENT CLASSES AND SETTLEMENTS

5. AM I PART OF THE SETTLEMENT CLASSES AND THE SETTLEMENTS?

You are part of the Settlement Classes if you are a person or entity in the United States and its territories that purchased one or more Named Generic Drugs directly from one or more Current or Former Defendants at any time from May 1, 2009 until December 31, 2019.

More specifically, on August 28, 2025, the Court certified the Settlement Classes. The class definition for each of these Settlement Classes is the same:

All persons or entities, and their successors and assigns, that directly purchased one or more of the Named Generic Drugs from one or more Current or Former Defendants in the United States and its territories and possessions, at any time during the period from May 1, 2009 until December 31, 2019.

Excluded from the Settlement Class are Current and Former Defendants and their present and former officers, directors, management, employees, subsidiaries, or affiliates, judicial officers and their personnel, and all governmental entities.

The Named Generic Drugs and Current and Former Defendants are listed at the end of this Notice.

If you are not sure whether you are included in these Settlement Classes, you may call or write to the lawyers in this case at the telephone numbers or addresses listed in Question 11 below. If you wish to exclude yourself from one or more of these Settlement Classes, please refer to Question 6.

6. CAN I REQUEST TO BE EXCLUDED FROM THE SETTLEMENT CLASSES?

Yes, the Court has set a deadline for requests for exclusion for January 12, 2026. To exclude yourself, you must send a letter via first class U.S. mail saying you want to exclude yourself from the Direct Purchaser Lawsuit in *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724 (E.D. Pa.). **You must identify which Settlement Class you wish to be excluded from. You may exclude yourself from one or both Settlement Classes.**

Mail the letter to: *In re: Generic Pharmaceuticals Pricing Antitrust Litigation* – Direct Purchasers, c/o A.B. Data, Ltd., P.O. Box 173095, Milwaukee, WI 53217.

Be sure to include your name, address, email address, telephone number, and your signature. Your letter requesting exclusion must be postmarked no later than January 12, 2026.

If you exclude yourself from a Settlement Class, you will not be legally bound by anything that happens in the Lawsuit between DPPs and the Settling Defendant(s). This means that you may be able to sue (or continue to sue) the Settling Defendant(s) in the future about the legal issues in this case. If you exclude yourself from a Settlement Class so that you can start or continue your own lawsuit against one or more of the Settling Defendants, you should talk to your own lawyer immediately because your claims will be subject to a statute of limitations, which means that your claims will expire if you do not take timely action. You need to contact your own lawyer about this issue.

If you do not exclude yourself from the Settlement Classes, and you have a valid claim, you can share in the Settlements, but you will not be able to start a lawsuit, continue a lawsuit, or be part of any other lawsuit against the Settling Defendants arising from the claims released as part of these Settlements, including claims brought in the case between DPPs and the Settling Defendants. All of the Court's orders in the case between DPPs and the Settling Defendants will apply to you and legally bind you. You will also be bound by the proposed Settlements between DPPs and the Settling Defendants if the Court grants Final Approval to the proposed Settlements and enters final judgment in the case between DPPs and the Settling Defendants.

7. WHAT HAPPENS IF I DO NOTHING?

If you are a Settlement Class Member and you do nothing, you will remain in the Settlement Classes and be eligible to participate in the Settlements as described in this notice, if the Settlements are approved. However, you will need to complete, sign, and return the claim forms (once they are sent to you) in order to obtain payment. We do not know when the claim forms will be mailed. You should check GenericDrugsDirectPurchaserSettlement.com for information regarding timing. The website will also have a blank claim form for downloading.

THE SETTLEMENTS' BENEFITS

8. WHAT DO THE SETTLEMENTS PROVIDE?

The Settling Defendants have agreed to pay a total of \$70,750,000 in cash (which may be reduced to \$62,260,000 or increased to as much as \$88,405,662.50 under certain circumstances as explained in the Settlements) to an interest-bearing escrow account (“Settlement Fund”) for the benefit of the Settlement Classes. The Settlement Fund shall be held in escrow pending finality of the Settlement Agreements. The Settling Defendants have also agreed to provide substantial cooperation to the DPPs in the continued litigation against the remaining Defendants.

Settlement Class Counsel will apply to the Court no later than November 27, 2025 for reimbursement of past unreimbursed expenses and for future expenses not to exceed a total of \$6,000,000, and service awards to the four Settling Plaintiffs of \$20,000 each for their services to the Settlement Class. The Settlements also provide for payment of up to \$500,000 in total for the costs of administering the Settlements and making distributions from the fund. In addition, Settlement Class Counsel will ask the Court for a set-aside for future payment of attorneys’ fees. For purposes of the objection and opt-out deadline of January 12, 2026, Settlement Class Members should assume that Settlement Class Counsel will seek attorneys’ fees of up to one-third of the net Settlement Fund to date, after expenses and service awards have been deducted and including interest (and including the Settlement Funds from DPPs’ prior Settlements). Settlement Class Members will have the opportunity to review, and object to, Settlement Class Counsel’s motion for attorneys’ fees after it is filed and before the Court rules. All motions for expenses, attorneys’ fees, and service awards shall be posted on the settlement website: GenericDrugsDirectPurchaserSettlement.com.

If approved by the Court, the Settlement Fund, minus any court-awarded fees and expenses to Settlement Class Counsel, costs of settlement notice and administration, and service awards to Settling Plaintiffs (“Net Settlement Fund”) and the entirety of the Mallinckrodt monies will be distributed to the Settlement Class Members who return valid and timely Claim Forms. The distribution will be made on a *pro rata* basis, consistent with each Settlement Class Member’s aggregate weighted share of total Settlement Class’s purchases of the Named Generic Drugs from Defendants. In the event that data from Defendants is not available to calculate a Settlement Class Member’s *pro rata* share, such Settlement Class Member will be required to submit data showing its relevant direct purchases as requested by the Claims Administrator. As a general matter, a claimant’s *pro rata* share will be based on data from Defendants, and claimants will not be permitted to submit their own purchase data to contest these figures. This is because of the time and expense that would be involved in analyzing such additional data (expenses that would be paid out of the Settlement Fund itself), and because transaction data from Defendants is considered reliable. More information about how Settlement Class Members’ shares will be calculated is available in the Plan of Allocation, on the settlement website: GenericDrugsDirectPurchaserSettlement.com.

In exchange, the litigation between the DPPs and the Settling Defendants will be dismissed with prejudice and Settling Defendants will be released by Settlement Class Members from all claims that have been brought or could have been brought concerning the subject matter of or acts, omissions, or other conduct alleged in Settling Direct Purchaser Plaintiffs’ class action complaints available at GenericDrugsDirectPurchaserSettlement.com.

Non-Settling Defendants are not part of the proposed Settlements between the DPPs and the Settling Defendants. DPPs’ Lawsuit against the Non-Settling Defendants is continuing.

The Settlement Agreements provide that they may be terminated if, for example, the Court does not approve the Settlements or if Settlement Class Members with aggregate purchases above a certain amount opt out. If the Settlement Agreements are terminated, the Lawsuit will proceed against the Settling Defendants as if the settlements had not been reached.

The full text of the Settlement Agreements, including the releases, are available at GenericDrugsDirectPurchaserSettlement.com. This notice is not meant to, and does not, alter the terms of the actual Settlement Agreements and associated releases.

9. HOW CAN I GET A PAYMENT FROM THE SETTLEMENTS?

If the Court grants Final Approval to the Settlement (see “The Court’s Fairness Hearing” below) and any resulting appeals are resolved, the Court will approve a Plan of Allocation to distribute the Settlement Fund.

If you do not exclude yourself from both Settlement Classes, you will need to submit a Claim Form to request your share of the Net Settlement Fund.

- If you received this Notice in the mail, a Claim Form will be sent to you automatically and you do not need to do anything at this time to be eligible to receive a payment from the Settlements.
- If you did not receive this Notice in the mail, and you think you are a potential Settlement Class Member, please identify yourself or your company by letter or email to the following address: *In re: Generic Pharmaceuticals Pricing Antitrust Litigation* – Direct Purchasers, c/o A.B. Data, Ltd., P.O. Box 173095, Milwaukee, WI 53217. Email: info@GenericDrugsDirectPurchaserSettlement.com. You must also include proof that you purchased at least one of the Named Generic Drugs during the period May 1, 2009 to December 31, 2019 directly from a Current or Former Defendant. You may also be required to submit your purchase data showing all your eligible purchases. A copy of the Claim Form will also be available at GenericDrugsDirectPurchaserSettlement.com.

10. WHEN WOULD I GET MY PAYMENT AND HOW MUCH WOULD IT BE?

When you get your payment depends on several matters, including whether and when the Court grants Final Approval of the Settlements. The Net Settlement Fund and entirety of the Mallinckrodt monies will be allocated to Settlement Class Members as soon as possible after the Court grants Final Approval of the Settlements.

You will not be responsible for calculating the amount you may be entitled to receive. The Plan of Allocation provides that you will be paid on a *pro rata* basis in proportion to how much of the Named Generic Drugs you purchased directly from Current or Former Defendants from May 1, 2009 through December 31, 2019. Generally, those with more purchases will get a higher recovery. If less than 100% of the Settlement Class sends in claim forms, you could get a larger *pro rata* share. All Claimants who would receive less than a *pro rata* share of \$25 total from the Settlements will receive \$25 total from the Settlements.

If the proposed Settlements are given Final Approval, but there is an appeal of the Final Approval, the appeal could take several years to resolve. Any accrued interest on the Settlement Fund will be included, *pro rata*, in the amount paid to Settlement Class Members.

If you do decide to exclude yourself from one or more of the Settlement Classes, which means that you are choosing not to be a part of one or more of the Settlement Classes, then you will not receive a share that Settlement Class's portion of the Settlement Fund.

THE LAWYERS REPRESENTING THE SETTLEMENT CLASSES

11. DO I HAVE A LAWYER IN THIS CASE?

The Court appointed the counsel listed below as Settlement Class Counsel:

Dianne M. Nast, Esq. Joseph N. Roda, Esq. NASTLAW LLC 1101 Market Street, Suite 2801 Philadelphia, Pennsylvania 19107 215-923-9300 dnast@nastlaw.com jnroda@nastlaw.com	David F. Sorensen, Esq. BERGER MONTAGUE PC 1818 Market Street, Suite 3600 Philadelphia, PA 19103 (215) 875-3000 dsorensen@bm.net

12. HOW WILL THE LAWYERS BE PAID?

The attorneys intend to ask the Court to set aside up to one-third of the Settlement Fund plus a proportionate amount of interest from these settlements for future requests for attorneys' fees. Settlement Class Counsel will also ask, as part of the Final Approval of these settlements, for an amount not to exceed \$6,000,000 for reimbursement of past and future expenses, including costs of administering these settlements, plus service awards in the amount of \$20,000 for each of the four named plaintiffs. If you decide not to exclude yourself from the Settlement Classes, you will not have to pay these fees, costs, and expenses out of your own pocket. If the Court grants Settlement Class Counsel's requests, these amounts would be deducted from the Settlement Fund.

Any application by Settlement Class Counsel for reimbursement of expenses, service awards, and attorneys' fees will be filed with the Court and made available for download and/or viewing on or before November 27, 2025 on GenericDrugsDirectPurchaserSettlement.com, as well as at the

office of the Clerk of the United States District Court for the Eastern District of Pennsylvania, 601 Market Street, Philadelphia, PA 19106-1797, during normal business hours.

OBJECTING TO THE SETTLEMENTS

13. HOW DO I TELL THE COURT THAT I DON'T LIKE THE SETTLEMENTS?

If you are a Settlement Class Member (and have not excluded yourself), you can object to all or any part of the proposed Settlements and/or the application for a set-aside for a future request for attorneys' fees, reimbursement of costs and expenses, and/or service awards to the Class Representatives. You can give reasons why you think the Court should not approve it. The Court will consider your views.

To object to the Settlements, you must send a letter via first class U.S. mail saying that you object to the Settlements in the Direct Purchaser Lawsuit in *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, No. 2:16-MD-02724 (E.D. Pa.) with the following information:

THE COURT'S FAIRNESS HEARING

The Court will hold a hearing to decide whether to grant Final Approval to the Settlements and any requests for reimbursement of expenses, service awards, and application for attorneys' fees ("Fairness Hearing"). You may attend and, if you have not excluded yourself from the Settlement Classes, you may ask to speak, but you do not have to.

14. WHEN WILL THE COURT DECIDE WHETHER TO APPROVE THE SETTLEMENT?

The Court has scheduled a Fairness Hearing on April 8, 2026 at 11:00 a.m. Eastern time, at the United States District Court Eastern District of Pennsylvania, Courtroom 12-A, 601 Market Street, Philadelphia, PA 19106.

The time and date of the Fairness Hearing may change without additional mailed notice. For updated information on the hearing, you may check GenericDrugsDirectPurchaserSettlement.com, or the Court docket in this case, for a fee, through the Court's Public Access to Court Electronic Records (PACER) system at <https://pcl.uscourts.gov>.

At the Fairness Hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. The Court may also consider the requests by Settlement Class Counsel for a set-aside for a future request for attorneys' fees, as well as request for reimbursement of expenses and payment of service awards. If there are objections, the Court will consider them at that time. After the hearing, the Court will decide whether to give Final Approval to the Settlements and the other requests. It is unknown how long these decisions will take.

Any judgment issued by the Court will be binding on the Settlement Class. The Settlements, if approved by the Court and once appeals, if any, are resolved, will release all claims in the class action against the Settling Defendants.

15. DO I HAVE TO ATTEND THE HEARING?

No. Settlement Class Counsel will answer any questions the Court may have. However, you are welcome to attend the hearing at your own expense. If you send an objection, you do not have to come to Court to talk about it. If you mailed your written objection on time, to the proper addresses, and it complies with the other requirements provided above, the Court will consider it. You also may pay your own lawyer to attend the hearing, but this is not necessary. Attendance is not necessary to receive your share of the Net Settlement Fund.

16. MAY I SPEAK AT THE HEARING?

You may ask the Court for permission to speak at the Fairness Hearing. To do so, you must send a letter via first class U.S. mail saying that it is your "Notice of Intention to Appear in *In re Generic Pharmaceuticals Pricing Antitrust Litigation*, No. 2:16-MD-02724 (E.D. Pa.)." Be sure to include your name, address, email address, telephone number, and your signature. Your Notice of Intention to Appear must be postmarked no later than January 12, 2026, and must be sent to the

Clerk of the Court, to Settlement Class Counsel, and to Settling Defendants' Counsel at the addresses listed in Question 13 above.

You may not speak at the hearing for a particular Settlement if you excluded yourself as a Settlement Class Member or do not send a notice of intention to appear.

In targeted letters, the FDA asked companies to cease false and misleading advertising. (Shutterstock)

Key Takeaways

- The bolus of "cease and desist" letters citing false and misleading advertising for specific products may be the most immediate concern for drug sponsors, but they also now face a highly uncertain future about the rules governing direct-to-consumer promotion.
- The FDA put all drug and biologic application holders on notice that it plans to aggressively enforce advertising and promotion rules going forward. The agency also plans new rulemaking to require that DTC broadcast ads include all necessary safety information, essentially making them infeasible.
- The FDA also plans to expand regulatory oversight of social media promotional activities, including influencer partnerships and sponsored content across all platforms, an issue that attracted

NastLaw LLC and Direct Purchaser Plaintiffs Announce Additional Settlements in In Re Generic Pharmaceutical Pricing Antitrust Litigation

NEWS PROVIDED BY

NastLaw LLC

Sep 11, 2025, 10:00 ET

PHILADELPHIA, Sept. 11, 2025 /PRNewswire/ --

NastLaw LLC and Direct Purchaser Plaintiffs Announce: If you purchased certain named generic pharmaceutical drugs *directly from* certain pharmaceutical manufacturers from May 1, 2009 through December 31, 2019, your rights may be affected by proposed class action settlements.

A federal court authorized this notice. This is not a solicitation from a lawyer.

What is the lawsuit about? Two proposed settlements have been reached in a class action lawsuit ("the Lawsuit"), which alleges that Greenstone LLC, Pfizer Inc. and Glenmark Pharmaceutical Inc., USA (collectively "Settling Defendants") and other generic drug manufacturers violated the federal antitrust laws by conspiring to fix, maintain, and stabilize prices, rig bids, and engage in market and customer allocations of certain generic drugs (the "Named Generic Drugs"), causing direct purchasers of the Named Generic Drugs to pay more than they should have. The Settling Defendants deny liability as alleged in the Lawsuit. The Court has not decided who is right. The proposed Settlement does not resolve any of the claims of the Settlement Class against the remaining Defendants. The Lawsuit against the remaining Defendants is ongoing.

Who is included? The Court has certified two Settlement Classes, one for each proposed Settlement: (1) the Greenstone and Pfizer Settlement Class and (2) the Glenmark Settlement Class. Each Settlement Class includes all persons or entities, and their successors and assigns, that directly purchased one or more of the Named Generic Drugs from one or more Current or Former Defendants

in the United States and its territories and possessions, at any time during the period from May 1, 2009 through December 31, 2019. Excluded from the Settlement Class are Current and Former Defendants and their present and former officers, directors, management, employees, subsidiaries, or affiliates, judicial officers and their personnel, and all governmental entities. The Settlement Agreements listing the Named Generic Drugs and Current and Former Defendants are available on the Settlement website: GenericDrugsDirectPurchaserSettlement.com. The Settlement Agreements are also on public file with the United States District Court for the Eastern District of Pennsylvania, 601 Market Street, Philadelphia, PA 19106, in the case *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, Case No. 2:16-MD-02724.

What do the settlements provide? The proposed Settlements provide for the following payments: (1) a \$33,000,000 payment by Settling Defendants Greenstone LLC and Pfizer Inc. and (2) two payments totaling \$37,750,000 by Settling Defendant Glenmark Pharmaceutical Inc., USA. These payments will comprise the total \$70,750,000 "Settlement Fund." The Settlement Fund may be reduced to \$62,260,000 or increased to a maximum of \$88,405,662.50 under certain circumstances, as explained in the Settlement Agreements. In addition, the Direct Purchaser Plaintiff ("DPP") attorneys who have worked on the Lawsuit for the Settlement Classes will seek Court approval to pay expenses, and service awards for the class representatives (or named plaintiffs) out of the Settlement Fund. DPP attorneys will also request a set-aside for attorneys' fees of up to one-third of the net Settlement Fund, including interest, after expenses (and service awards) are deducted. Any motion for expenses, service awards, and a set-aside will be filed no later than November 27, 2025, and posted on the Settlement website GenericDrugsDirectPurchaserSettlement.com thereafter. The calculations of the dollar amount that each Settlement Class Member will be paid from the Settlement Fund are set forth in the Plan of Allocation, which is also available on GenericDrugsDirectPurchaserSettlement.com. In conjunction with the distribution of the Settlement Fund, DPP attorneys intend to also distribute to members of these Settlement Classes \$1,846,000 (plus any additional accrued interest) from a bankruptcy involving Defendant Mallinckrodt Inc. and its affiliates ("Mallinckrodt monies"). DPP attorneys do not intend to seek expenses, service awards, or a set-aside for a future request for attorneys' fees from the Mallinckrodt monies.

What are your options? If you are a Settlement Class Member and you do nothing, you will remain in the Settlement Classes and are eligible to participate in the Settlements as described in this notice, if the Settlements are approved. However, you will need to complete, sign, and return the claim form (once it is sent to you) in order to obtain a payment. We do not know when the claim forms will be mailed. You should check GenericDrugsDirectPurchaserSettlement.com for information regarding timing. If

you *did not* receive a Notice in the mail, and you think you are a potential Settlement Class Member, please identify yourself or your company by letter to the following address: *In re: Generic Pharmaceuticals Pricing Antitrust Litigation* – Direct Purchasers, c/o A.B. Data, Ltd., P.O. Box 173095, Milwaukee, WI 53217, or send an email to info@GenericDrugsDirectPurchaserSettlement.com, or call 877-315-0583. You may be required to submit proof of a qualifying direct purchase to establish that you are a Settlement Class Member. Such claimants may also be required to submit purchase data as part of the claims process. As a Settlement Class Member, unless you opt out of the Settlements, you will be bound by all orders and judgments of the Court.

In addition, if you are a Settlement Class Member, you may request exclusion from (or opt out of) one or more of the Settlements, and if you do not opt out, you may object to one or more of the Settlements. Instructions for opting out or objecting can be found in the publicly available case file and website, as described above. You must mail your request to opt out or your objection by January 12, 2026. The Court will hold a Fairness Hearing on April 8, 2026, at 11:00 am Eastern Time, to decide whether to approve the Settlements and any requests for a set-aside for a future fee petition, expenses, and service awards for the Class Representatives. The Court will also consider a Plan of Allocation for distributing the Settlement Fund to Settlement Class Members. If there are objections, the Court will consider them at the hearing. You do not need to attend the hearing. If you wish to appear at the hearing, you must file a "Notice of Intention to Appear" with the Court and you may hire your own attorney to appear in Court for you at your own expense.

For more information: Go to the website: GenericDrugsDirectPurchaserSettlement.com or call 877-315-0583 for more information on the Settlements, the lawsuit, and your potential rights and options related to the Settlement, and the Plan of Allocation. The website includes, for example, a list of the generic drugs that you would have had to purchase and a list of the generic manufacturers that you would have had to purchase ***directly*** from in order to be eligible for a payment.
